Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.ATLAS DIDN T SHRUG BUT HIS NOSE ITCHED. . and Stuart Preston Digit III s world was about to topple over. He had been kidnapped, drugged, shoved around, kicked, threatened, held at gunpoint, and dragged around D.C., with multiple psychos doing their best to get their hands on him and the information he had hidden in a locker in Union Station. How did an intern for the senate majority leader in the most liberal government ever elected wind up in the middle of political intrigue? Mere days before, he was a normal senate intern, working diligently to have a good addition to his resume. How could he have known that his boss would use him as a political pawn to seize an entire industry under control of the federal government? He knew he had been duped but now he was in too deep. While millions of followers, who called themselves Stupies, were tweeting back and forth, and scrawling Where s Stu Digit? graffiti all over town, he went under the radar to try to set the record straight and started a spiral of events that would embroil him in unexpected intrigue and mystery as his political foes jockeyed to reel him in. Strangers appeared out of nowhere to use him for their own advantage. Before he...
