Juliet Montega is the twenty-two-year-old victim of an unsolved murder. She tells her story from the great beyond and begins with the event that soon leads to her death- her return home from college. Her homecoming falls on the one-year anniversary of the day that her parents were killed by a drunk driver, whose last name is Capera. Back in Bend, Oregon for the first time since the double funeral, Juliet struggles to adapt to living in her childhood home alone, and finds herself unwillingly thrust into a tangled web of secrets and love triangles that push her down a dangerous path-wondering who she can trust as she desperately tries to escape the destiny she fears her star-crossed name has cursed her to fulfill.
