Brand New Book ***** Print on Demand *****.Excerpt from A System of Physiologic Therapeutics, Vol. 4: A Practical Exposition of the Methods, Other Than Drug-Giving, Useful in the Prevention of Disease and in the Treatment of the Sick In this book will be found what is believed to be, on the whole, the most nearly complete account of the health resorts of the United States yet published. In its preparation free use has been made of the Bulletins of the United States Weather Bureau, and the United States Geological Survey, - especially the excellent Report on the Mineral Springs of the United States, by Dr. A. The natural advantages of the American continent, and of that large portion of it included in the United...
