AUTHORHOUSE, United States, 2003. Paperback. Book Condition: New. 280 x 207 mm. Language: English . Brand New Book ***** Print on Demand *****.Music Therapy Reconnection is the best approach to date that you will find. Not only does it give you the vital information that you need right now but information that could take you months to retrieve from traditional methods. What t will do for you: A. Gives you information about the juvenile s early/present activities. B. Gives you information about the juvenile s family, early childhood and peer group interactions/involvement. C. Gives you information regarding what will work with the youth. D. Gives you all this information in less than 10 minutes by using the Lee Technique for narrowing down forms for quick information and form for more exacting information for treatment plan. Specific information about person s interpersonal and social relationships and music (used to help juveniles understand how to deal with problems). See Forms Section. E. Gives you more information than the Maysi, DSM IV, Diagnostic Mental Health Screen and many other popular methods used today. F. The perfect assessment tool regarding predetermining behaviors that could be detrimental to others or themselves. G. Music is how our youth of today communicate. Music therapy reconnection is simply amazing.
