## A HANDBOOK OF AMERICAN PRIVATE SCHOOLS (1916)

Hesperides Press. Hardcover. Book Condition: New. Hardcover. 612 pages. Dimensions: 8.2in. x 5.7in. x 1.8in. A HANDBOOK OF AMERICAN PRIVATE SCHOOLS. Originally published in 1916. Text extracted from opening pages of book: PUBLISHERS NOTE: The Sargent Handbooks, as projected, are to be a series of volumes on Education, Travel, and subjects of general human interest, not at present adequately covered by single books. The purpose is to bring together in a convenient form trustworthy information that will give a general, all-round critical view of the subject, with no hesitancy in telling more than the conventional truths. The plan contemplates annual revisions, sparing no effort or expense in investigation and editing until a definitive form has been attained. There is need for such carefully prepared books. On many subjects there is lack of coordinated, easily accessible information that will meet modern demands. These books endeavor to give a complete orientation on each subject. Specialists would never write them. Publishers have not produced them. If prepared with sufficient care, they cannot pay in the first editions. This second edition of the Handbook of Private Schools is a complete reconstruction of the earlier one, approximating more nearly the definitive form. Much study has been given to technical features. A paper has been selected which has the advantages of compactness and opacity and that takes halftones well without reflecting the light. The new type chosen after much study with the best expert advice gives the maximum of legibility with the maximum number of words in a given space. Although claimed by its makers to be the best face cut, it has been little used because it does not run into pages fast enough to suit the usual book maker. A Handbook of American Colleges and Universities will be the second of the Series on Education....
