## THE FAERIE TREE

Troubador Publishing. Paperback. Book Condition: new. BRAND NEW, The Faerie Tree, Jane Cable, How can a memory so vivid be wrong? In the summer of 1986 Robin and Izzie hold hands under The Faerie Tree and wish for a future together. Within hours tragedy rips their dreams apart. In the winter of 2006, each carrying their own burden of grief, they stumble back into each other's lives and try to create a second chance. But why are their memories of 1986 so different? And which one of them is right? With strong themes of paganism, love and grief, The Faerie Tree is a novel as gripping and unputdownable as Jane Cable's first book, The Cheesemaker's House, which won the Suspense & Crime category of The Alan Titchmarsh Show's People's Novelist competition. It is a story that will resonate with fans of romance, suspense, and folklore.
