## Nikola Tesla: A Major Contributor in the Electrical Era (Paperback)

By J D Rockefeller

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Nikola Tesla was a person who made great contributions in the field of electricity. He helped design the electricity supply system of alternating current. He also worked with other great individuals, including Thomas Edison, even though that was only for a short time. With his development of various electrical devices, he was able to contribute to the electrical evolution that has truly transformed the lives of so many people. Although he was penniless when he migrated in New York, it did not hinder him from creating his amazing inventions. Aside from his contributions to alternating current, he also helped in the development of the radio, as well as wireless communication. He experienced struggles in his life, yet he worked hard to accomplish what he wanted to do in pursuit of the dreams and visions that he had, which included a world that uses wireless power. He was a man ahead of his time. Thus, he did not expect the world to accept the advanced ideas that he had, nor did he expect to receive fast results in what...
