

Ballad of the White Horse (Paperback)

Filesize: 5.46 MB

Reviews

Basically no words to clarify. Of course, it is perform, still an amazing and interesting literature. Its been printed in an exceptionally basic way which is only soon after i finished reading through this ebook where actually altered me, change the way i really believe.

(Newton Runolfsson)

BALLAD OF THE WHITE HORSE (PAPERBACK)

Dover Publications Inc., United States, 2010. Paperback. Book Condition: New. Unabridged. 211 x 135 mm. Language: English . Brand New Book. More than a thousand years ago, the ruler of a beleaguered kingdom saw a vision of the Virgin Mary that moved him to rally his chiefs and make a last stand. Alfred the Great freed his realm from Danish invaders in the year 878 with an against-all-odds triumph at the Battle of Ethandune. In this ballad, G. K. Chesterton equates Alfred s struggles with Christianity s fight against nihilism and heathenisma battle that continues to this day. One of the last great epic poems, this tale unfolds in the Vale of the White Horse, where Alfred fought the Danes in a valley beneath an ancient equine figure etched upon the Berkshire hills. Chesterton employs the mysterious image as a symbol of the traditions that preserve humanity. His allegory of the power of faith in the face of an invasive foe was much quoted in the dark days of 1940, when Britain was under attack by Nazis. This new edition offers an authoritative, inexpensive version of Chesterton s inspiring work.
