

You Can't Fight Tanks with Bayonets: Psychological Warfare Against the Japanese Army in the Southwest Pacific (Paperback)

By Allison B. Gilmore

University of Nebraska Press, United States, 2000. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book. A startling omission from the extensive literature on the Pacific events of World War II is an analysis of Allied psychological operations. Allison B. Gilmore makes a strong case for the importance of psychological warfare in this theater, countering the usual view of fanatical resistance by Japanese units. Gilmore marshals evidence that Japanese military indoctrination did not produce soldiers who were invulnerable to demoralization and the survival instinct. Allison B. Gilmore is an associate professor of history at The Ohio State University at Lima.
