## The Little Book of Big Stuff About the Brain: The True Story of Your Amazing Brain

By Andrew Curran, Ian Gilbert

Crown House Publishing. Hardback. Book Condition: new. BRAND NEW, The Little Book of Big Stuff About the Brain: The True Story of Your Amazing Brain, Andrew Curran, Ian Gilbert, Designed as a cover to cover read which leaves the reader with a working knowledge of the human brain from its first evolution 2 billion years ago to the present day. A light-hearted look at the brain aimed at a lay audience. It especially focuses on the neurobiology of emotional intelligence and in many ways is the neurobiological explanation of why emotional intelligence is so important to health, wealth and happiness. From birth to death our brains are learning. In this book, Andrew explains the actual events that occur in the learning brain. Understanding the nuts and bolts of learning can only help you learn yourself - but also aid others to learn from you. "The Little Book of Big Stuff About the Brain" is about understanding why emotional health is so important. It is a book about structure and function - and the immensely reassuring fact that there is nothing occult or sinister or hidden about our emotional selves - there is just a whole pile of circuitry that can be...
