The divine right of kings was extended to landholders who, however, lived among the actual tillers of the soil and many of them shared in their happiness and misery. In spite of the changed conditions of the country and the numerous attacks on its culture by alien civilisations, the system has not died out, though the spirit of the age now is no doubt working a transformation. The Zemindar held his land on payment of a certain revenue to the state, and he was free to assess his ryots accordingly, employing his agents or gomastas for the purpose. These agents, as might be expected, supplemented their slender pay by...
