

General Cargo (New edition)

By A. P. Herbert

House of Stratus. Paperback. Book Condition: new. BRAND NEW, General Cargo (New edition), A. P. Herbert, In this collection of essays, articles and sketches, A P Herbert reveals a world that is long-since past. Through his preoccupations and criticisms, opinions and hopes we are introduced to the thoughts and ways of an English gentleman in 1930s London. And as we read, we become increasingly aware of how much things have changed - indeed often for the better - but perhaps there is also a strange sense of nostalgia, a feeling of something having been lost forever.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
