THE NEW LATIN PRIMER (PAPERBACK)

DOWNLOAD

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Dr. Postgate deserves well of the miserable critics who are doomed to pass opinion on educational works dealing with Greek or Latin and on editions of works in the said tongues. The Latin primer before us, manifestly inspired by a more beneficent power than those to which most of the countless elementary grammars owe their origin, refreshes the wearied reviewer by an aroma of novelty and by lucid exposition and orderly arrangement, thus raising the hope that it may annihilate many of the loathly brood aforesaid and check their baneful production in the future. To affirm that a primer is excellent is, of course, easy, but the proof of such an affirmation is so difficult and tedious a task that we should prefer, were it feasible, to recommend teachers to test our verdict for themselves. We would, in case our reasons as stated should not appear sufficiently cogent, remind our readers of the judge whose judgments were always sound, but his reasons seldom convincing. In view of Dr. Postgate's distinguished position as a student and professor of comparative philology the judicious suppression of that science, which at present affords indifferent nutriment for babes, is perhaps the first thing to jump into the sea when we set ourselves to weigh the merits of the work. For example, the - i - declension is not, as such, distinguished from the consonantal declension, with the admirable practical result that the varieties of the third declension are clearly set forth in remarkably few words, so that beginners are saved much toil and bewilderment. Nor is the excellence of the compact and easy memorial verses to be left out of account;...
