NEGOTIATING FOR SUCCESS: ESSENTIAL STRATEGIES AND SKILLS (PAPERBACK)

Van Rye Publishing, LLC, United States, 2014. Paperback. Book Condition: New. 210 x 138 mm. Language: English . Brand New Book ***** Print on Demand *****.We all negotiate on a daily basis. We negotiate with our spouses, children, parents and friends. We negotiate when we rent an apartment, buy a car, purchase a house and apply for a job. Your ability to negotiate might even be the most important factor in your career advancement. Negotiation is also the key to business success. No organization can survive without contracts that produce profits. At a strategic level, businesses are concerned with value creation and achieving competitive advantage. But the success of high-level business strategies depends on contracts made with suppliers, customers and other stakeholders. Contracting capability-the ability to negotiate and perform successful contracts-is the most important function in any organization. This book is designed to help you achieve success in your personal negotiations and in your business transactions. The book is unique in two ways. First, the book not only covers negotiation concepts, but also provides practical actions you can take in future negotiations. This includes a Negotiation Planning Checklist and a completed example of the checklist for your use in future negotiations. The book also includes (1) a tool you can use to assess your negotiation style; (2) examples of decision trees, which are useful in calculating your alternatives if your negotiation is unsuccessful; (3) a three-part strategy for increasing your power during negotiations; (4) a practical plan for analyzing your negotiations based on your reservation price, stretch goal, most-likely target, and zone of potential agreement; (5) clear guidelines on ethical standards that apply to negotiations; (6) factors to consider when deciding whether you should negotiate through an agent; (7) psychological tools you can use in negotiations-and traps to avoid when...
