Brand New Book ***** Print on Demand *****.During the late 1970s and early 1980s I was recruited to become a member of the illuminati; by an undercover policeman, in the East End of London. During my time with the illuminati they provided me with a great deal esoteric information which reveals a shadowy world of secret societies, satanic rituals, demonic entities, men-in-black, Nazi flying saucers and secret weapons, underground bases, genetic experiments, human cloning and organized crime. I was also made aware of a shadowy paramilitary organization set up by a group of SS generals; during the closing stages of World War Two. And this secret organization may be used to stage a series of devastating false flag attacks; against a number of cities around the world, leading to the installation of a one world government-and the construction of a totalitarianism dictatorship-which will last for a thousand years. And we may witness the terrifying return of old an adversary-where many people believe, has been confirmed to the history books. This may sound like the plot from a science fiction movie, but sometimes the truth can be stranger than fiction. And the majority of this information comes from my time; I spent as a member of the illuminati.
