Eye Books. Paperback. Book Condition: new. BRAND NEW, Behind the Veil: A Nurses Arabian Nightmare (New edition), Lydia Laube, Lydia Laube set off in search of adventure, to work as a nurse in Saudi Arabia. She found herself embroiled in a society that did not allow women to drive, vote, or speak to a man alone. As soon as she stepped off the aeroplane, Lydia's passport was confiscated. She felt like a prisoner, trapped in a country with no means of escape. Lydia showed incredible strength of character in her determination to fulfil her year-long contract. Wearing head-to-toe coverings in stifling heat, and battling against unfathomable bureaucracy, Lydia maintained her sanity and finally got her passport back. Behind the Veil is the entertaining account of an Australian woman's resolve to survive in the hostile environment of a Saudi Arabian hospital. 'Laube is a human dynamo. Her writing has a chatty, witty, over-the-fence feel about it, and her books can be read in a few hours, such is their deceptive magnetism.' - West Australian.
