

Elementary Endgames (Hardback)

Filesize: 3.06 MB

Reviews

It is one of the most popular pdfs. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which it really altered me, altered the way in my opinion.

(Dr. Alexa Rogahn)

ELEMENTARY ENDGAMES (HARDBACK)

Mongoose Press, United States, 2011. Hardback. Book Condition: New. 231 x 152 mm. Language: English . Brand New Book. Chess Camp is a new training system for beginning chessplayers, and for the parents and coaches who teach them. Starting with simple problems to illustrate key concepts, and then progressing to more complex positions, the student will learn by doing, methodically integrating new information with previous knowledge while building effective thinking habits at the board. In this fourth volume, Elementary Endgames, the student will: 1) learn how to deliver fundamental checkmates such as a king and a rook against a lone king; 2) discover how to avoid stalemating the opposing king, and how to induce stalemate when threatened with checkmate; and 3) develop not only an understanding of concepts such as passed pawns and king opposition, but also a sense of confidence in the final phase of the game.
