

## New World Order Rising: The New Civil War: Return to North Dakota (Paperback)

By James W Nelson

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.All Carter Banks, 47, wanted, was to take his daughter and granddaughter out to his sister s farm, and live happily ever after. Like most Americans he believed in doing good and minding his own business, mostly blissfully unaware of escalating events going on around the country. He felt if he voted for his chosen candidates, that was enough. He would then leave it to the politicians to take care of things. How wrong he was. \*\*\*\*\* New World Order Rising is about a future war that is very likely to happen. As always, wars begin because the rich and powerful wish to get richer and more powerful. But of course it won t be the rich and powerful doing the fighting. The most powerful cartel ever to exist, the Illuminati--thanks to modern technology--after hundreds of years, are finally ready to take over the world, create a one-world government, religion, army, and to eliminate 85 of the world s population. They have an army of super-soldiers-viciously-trained from toddlers to adults who will follow any order-based and hidden for...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Ally Reichel**

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
