From Thoughts to Obsessions: Obsessive Compulsive Disorder in Children and Adolescents

By Per Hove Thomsen

Jessica Kingsley Publishers. Paperback. Book Condition: new. BRAND NEW, From Thoughts to Obsessions: Obsessive Compulsive Disorder in Children and Adolescents, Per Hove Thomsen, 'By far the best chapters are those derived from the author's clinical experience, particularly a good account of the significant social problems experienced by those with severe OCD. There is a helpful chapter on obsessive symptoms as part of normal development, and a reasonable account of differential diagnosis. He reviews some of his own ideas, such as that of co-existent 'empathy disorder', which he describes in 25% of young people with OCD. Overall, the book displays the warmth and understanding that the author has for young people with OCD, describes the need for increased awareness and recognition of this illness, and would provide a reasonable starting point for someone learning about paediatric OCD.' - European Journal of Child and Adolescent Psychiatry 'The book displays the warmth and understanding that the author has for young people with OCD, describes the need for increased awareness and recognition of this illness, and would provide a reasonable starting point for someone learning about paediatric OCD. This introductory book, richly illustrated with case examples, explains the nature and treatment of OCD in...
