THE RAINBOW (NEW EDITION)

Wordsworth Editions Ltd. Paperback. Book Condition: new. BRAND NEW, The Rainbow (New edition), D. H. Lawrence, Lionel Kelly, Keith Carabine, With an Introduction and Notes by Lionel Kelly, University of Reading. In 1915, Lawrence's frank representation of sexuality in *The Rainbow* caused a furore and the novel was seized by the police and banned almost as soon as it was published. Today it is recognised as one of the classic English novels of the twentieth century. *The Rainbow* is about three generations of the Brangwen family of Nottinghamshire from the 1840s to the early years of the twentieth century. Within this framework Lawrence's essential concern is with the passional lives of his characters as he explores the pressures that determine their lives, using a religious symbolism in which the 'rainbow' of the title is his unifying motif. His primary focus is on the individual's struggle to growth and fulfilment within marriage and changing social circumstances, a process shown to grow more difficult through the generations. Young Ursula Brangwen, whose story is continued in *Women in Love*, is finally the central figure in Lawrence's anatomy of the confining structures of English social life and the impact of industrialisation and urbanisation on the human psyche.
