Reviews

*This book may be worth purchasing. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

DINNER AT MINE

Simon & Schuster Ltd. Paperback. Book Condition: new. BRAND NEW, Dinner at Mine, Chris Smyth, When Rosie decides to get her friends together for their very own version of Come Dine With Me she's bursting with excitement, even though her husband Stephen is less than keen. But Rosie is adamant. Four couples, each hosting a dinner party on a different night of the week, with a prize at the end for the best one. It'll be a good laugh, won't it? And a great way for everyone to get to know each other. What could possibly go wrong? What Rosie doesn't anticipate are the lengths her fellow hosts might be prepared to go to in order to claim the prize - outlandish recipes, rare ingredients sourced from abroad, and a chocolate tart that looks just too good to be homemade. But perhaps she should be more worried about the mounting tension between the guests, as backbiting breaks out over the appetisers and a glass of wine too many leads to indiscreet flirtation. As the pressure in the kitchen rises, relationships begin to crack under strain, high-minded principles collide and the oven gloves come off. But that's all part of the fun. Isn't it?
