

The Bushman s Handbook (Paperback)

By H a Lindsay

Createspace, United States, 2013. Paperback. Book Condition: New. 200 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.Here s what the Literary Editor of Adelaide s Advertiser newspaper had to say about The Bushman s Handbook in late 1948: If an ordinary city dweller were to be dumped down in the arid central regions of Australia it is fairly certain that if the season was cold he would perhaps survive a few days, but it s also certain that in the heat of summer he would be dead within 48 hours. But the aborigine would be quite at home in such circumstances, which would not be dire straits to him at all. He would know how to find water where apparently none existed, and would unearth sufficient food to enable him to travel safely to better country. The author of The Bushman s Handbook, who is an expert bushman and descendant of bushmen, and who instructed thousands of Australian and American troops in bushcraft during WWII, here tells exactly how to survive in inhospitable terrain. As to your thirst, he describes how moisture may be obtained from the stems of plants and the limbs of...
