Bloomsbury Publishing PLC, United Kingdom, 2014. Hardback. Book Condition: New. New.. 241 x 161 mm. Language: English . Brand New Book. We take it for granted that we can use words properly - appropriately, meaningfully, even decorously. And yet it is very difficult to justify or explain what makes a particular use proper. Given that properness is determined by the unpredictable vagaries of unrepeatably contexts, it is impossible to formulate an absolute rule which tells what is proper in every situation. In its four case studies of texts by Ascham, Puttenham, Mulcaster, and the first English dictionary writers, Rules of Use shows the way in which early modern pedagogues attempted to articulate such a rule whilst being mindful that proper use can neither be determined by any single rule, nor definitively described in examples. Using the philosophy of Ludwig Wittgenstein, and Stanley Cavell's influential reading of it, Rules of Use argues that early modern pedagogues became entangled in a sceptical problem: aspiring to formulate a definitive rule of proper use, their own instruction begins to appear uncertain and lacking in assurance when they find such a rule cannot be expressed.
