Those novels, with more that 50 million copies sold, presented a unique combination of suspense and substance drawn from his lifelong study of Biblical prophecy. Now Tim LaHaye has created a new series that begins with Babylon Rising. The novels in this new series are even faster-paced thrillers based on prophecies that are not covered in the Left Behind books and that have great relevance to the events of today. Babylon Rising introduces a terrific new hero for our time. Michael Murphy is a scholar of Biblical prophecy, but not the sedate and tweedy kind. Murphy is a field archaeologist who defies danger to fearlessly hunt down and authenticate ancient artifacts from Biblical times. His latest discovery is his most amazing but it will send him hurtling from a life of excavation and revelations to a confrontation with the forces of the greatest evil. For the latest secret uncovered by Michael Murphy accelerates the countdown to the time of the end for all mankind.
