

Forty Years a Fur Trader on the Upper Missouri: Volume 1 of 2 (Paperback)

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.
(Mitchell Kuhn III)

FORTY YEARS A FUR TRADER ON THE UPPER MISSOURI: VOLUME 1 OF 2 (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a history of fur trading in the North American colonial period, which was often carried out by French settlers and Native Americans. From the intro: The history of the West is still largely the story of discovery, exploration, survey, colonization, and the like; for aught else is of comparatively recent development-is contemporaneous, or nearly such. The bison was the original engineer, who followed the lay of the land and the run of the water; the Indian followed the bison; the white man followed the Indian; the gun and trap, the pick and shovel, the whiskey-jug, plow, and locomotive followed the white man, at little if any interval: this is the order of empire westward. Every step of this succession is of absorbing interest and momentous consequence; perhaps none more so than those taken during what I may style the picturesque period, when the plain was furrowed not by the plow but by the hoof of the bison, when no Indian war-whoop had been silenced by a steam-whistle, when the trapper and trader were romantic figures in scenes untamed to more prosaic industries. Such times as these call for chroniclers; and it is the purpose of the American Explorer Series, of which the present volumes form a continuation, to traverse this historic ground, perhaps to cultivate some corners of this fruitful field. What results may be expected are instanced in the case of the Journal of Jacob Fowler, with which the series began. Whoever heard of it, or of its author, till this year of grace 1898? A floating paragraph in one or two not well-known books was to the vague effect that a...
