PAN-ISLAM (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a look at Muslim nationalism. From the preface: I HAVE written this book to present the main factors of a many-sided problem-political, social and religious-in a form which the general public can easily grasp. Modern democratic principles tend to give the public increasing control of international and inter-racial affairs, and therefore any contribution to public knowledge on such questions is in the interests of sound administration. The book is not intended to advise those who actually handle these affairs: I give such advice, when required, in more detail and not through the medium of a published work. Pan-Islam is an elementary handbook, not a text-book-still less an exhaustive treatise, but the questions it discusses are real enough. My qualifications for writing it are based on a quarter of a century s experience of the subject in most parts of the Moslem world, and I have studied the question in areas which I have not actually[viii] visited through intercourse with pilgrims from those parts. I have no axe to grind or infallible panacea to advocate; I merely lay the result of my researches before the public for its information, as failing health has warned me to pass the ball when collared, and I would like to think that the land where most of my life s work has centred will not be mishandled by cranks and opportunists after I have left the game. An arm-chair is a sorry substitute for an Arab pony, and a garden plot for the highlands of Arabia Felix, but the human mind is not necessarily confined by such trammels, and if my environment is narrow I hope my book is not.
