Atheneum Books for Young Readers, United States, 2015. Paperback. Book Condition: New. Reprint. 210 x 140 mm. Language: English . Brand New Book. A boy confronts prejudice and intolerance in this striking, emotionally honest coming-of-age story (Publishers Weekly) set on the American homefront during World War II, from the acclaimed author of Search and Destroy and Soldier Boys. Dirty. Lazy. Good-for-nothing. Jay Thacker is used to being called names because his dad is half Navajo. But he gets a chance at a new life and a new identity when he and his mom move to the small town of Delta, Utah, to live with Jay s grandfather. In Delta, Jay can convince everyone, and maybe even himself, that his dad--who is missing in action as he fights in WWII--is really a POW and military hero, and not gone forever. As the summer wears on and Jay finds himself growing up a little faster than he expected, he learns to look at some truths that had previously been impossible to face. Truths about his father; about Ken, his new friend from the Japanese internment camp nearby; and about himself, too. In this understated and moving story, Dean Hughes offers a glimpse at the choices a boy must make as he decides what kind of man he ll one day be.
