Giving way to more spine chilling circumstances that is poised to unfold right before your eyes. The Battle for power has begun and Sean Bowers has risen to a dominant position only to be hunted by his own son. His fight for survival is dependent on whether or not he finds the remaining members of the family that has kept the curse active for over 100 years. He will stop at nothing to secure his position as the dominant evil in the Bayou. Hunted like a savage dog, Sean continues his Reign of terror until he is satisfied that there could no longer be a threat to his loved ones. The locals are afraid of the unknown. His family is in danger as long as the (One) still walks amongst us. Sean is now in a desperate search for the man who holds the key to stopping the Henna curse and leaves a wake of death as his calling card. Sean s son is hunting them both with the hope of putting an end to the death and destruction that has plagued his family for many generations. They will stop at nothing until the swamps of the Louisiana Bayou runs red with the blood of its enemy.
