Reviews

*A really wonderful book with lucid and perfect reasons. This can be for all who statte there was not a worth reading through. You are going to like how the author write this book.
(Dr. Grady Jacobi DDS)*

THE DRAWING GUIDE

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 222 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. An excerpt from the INTRODUCTORY: WE desire to offer to the public a few introductory remarks on Ornamental Art, a subject which we have endeavored to illustrate, in a very elementary manner, in the first book of our Industrial Drawing Series. We are aware that those who have given the subject but little attention entertain very erroneous ideas of the importance and value of a knowledge of the principles and practice of decoration, as applied to the products of human industry. A very little reflection, however, must convince the most utilitarian, that, in an advanced stage of society, decoration enters so fully into all works of art as to constitute, in perhaps a majority of cases, the greater part of their market value. We see the principle illustrated in the importance that is attached to surface ornamentation in the manufacture of carpets, and oil-cloths, and matting, and wall-paper, and curtains; in printed cloths, and other articles designed for dress; in crochet and tapestry work; in the elegant forms required for vases, and all crockery and earthenware; alike in the fine sculpture of the most delicate ornaments and the chiseling of stone for public and private dwellings; in all mouldings of wood, and iron, and other ornamental work in architecture; and it is found to enter into all plans and patterns of utensils and tools, and into all objects of art which may be deemed capable of improvement by giving to them increased beauty of form and proportion. Indeed, all the vast variety of form and color which we observe in the works of man, beyond the requirements of the most barren utility, is, simply, ornamentation. Beginning with the...
