ENTERTAINING EXECUTIVES (PAPERBACK)

Made for Success Publishing, United Kingdom, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Office politics, power struggles, ulterior motives, personality differences .all combine to make this cynical poke at the executive branch of a typical office highly entertaining. The setting takes you to a management training program where several managers are invited to attend. As we watch form the sidelines we are witness to undercurrent of what really goes on. This is pure entertainment disguised as education! Using extensive research and personality tests for a look into human behavior we are able to glean from this witty and ironic work. Performance versus personality, management versus leadership all play a part in the clever portrayal of the world of executives. As the managers are skeptical about the motives of those who organize and conduct management conferences, they meet to discuss tactics. At the conference they argue with the psychologist who is trying to entertain them. The conference proceeds in the face of questions and arguments which challenge the authority of the psychologist who attempts to control the protagonists. But the conference participants have other ideas. Sit back in your seats, prepare to laugh uncontrollably.
