Of these purges, the most notorious was the Night of the Long Knives, a purge in the summer of 1934 that came about when Hitler ordered the surprise executions of several dozen leaders of the SA. Nonetheless, for the most part Hitler enjoyed great popularity among both the members of the Wehrmacht and ordinary Germans during his rule over the Third Reich between 1934 and 1945. To many, he appeared to be the spirit of a revived, powerful Germany, shaking off the hardship and humiliation imprudently inflicted by the victorious western Allies at the end of World War I. His strangely magnetic, ranting speeches struck a chord with millions, creating iron loyalty in many of those who followed the commands of his dictatorship. From the very beginning, however, others held a different view of the newly constituted Third Reich s Fuhrer. Though the concept of tyrannicide remained so foreign to German culture that the word only appeared in the national language after World War II, as the war progressed and Germany s fortunes faltered, more individuals and groups plotted the death of Hitler. The climax of these efforts took place on July 20th, 1944, but Hitler himself recognized his eminence and notoriety as factors making him the target of assassination attempts years earlier. Though his...
