Hardback. Book Condition: New. Not Signed; In the realm of amusing, deadpan greetings cards, Cath Tate is the original and best. In her thirty-year career she has created thousands of witty, original and often subversive cards, featuring grim-faced old ladies, ludicrously dressed 1920s gentlemen and bizarre-looking children, paired with text that perfectly captures her highly individual and devastatingly funny view on the world. In this highly amusing new addition to the series, Cath gives us the lowdown on life as a mother. It embraces all aspects of motherhood, from that first terrifying journey home from the hospital with your screeching bundle of joy, through teenage tantrums and the empty nest, to those disconcerting years when you begin to turn into your own mother. Insightful, quirky and downright hilarious, this book is the perfect present for your own mum, or someone who's about to become one. Word count: 2,000. book.
